

**CREDIT RIVER TOWNSHIP
RESOLUTION # 2015-16**

A RESOLUTION ADOPTING THE SCOTT COUNTY HIGHWAY 27 CORRIDOR STUDY

Motion By: _____ Second By: _____

WHEREAS, Scott County identified the need to establish long-range goals, objectives, and a vision for the County Highway 27 corridor; and

WHEREAS, the Cities of Elko New Market and Savage, and the Townships of Credit River and New Market have jointly participated in this multi-jurisdictional corridor study of County Highway 27 to develop a long-range vision for the corridor; and

WHEREAS, the Scott County 2030 Transportation Plan identifies County Highway 27 as an important north-south arterial roadway; and

WHEREAS, the traffic forecasting, safety analysis, existing infrastructure conditions, land use plans, and the makeup of the regional transportation system were evaluated as part of this study; and

WHEREAS, the Town Board understands the importance of the supporting road network and access management and spacing in order to promote safety and efficient operations of the roadway as well support the future function of the corridor as an arterial roadway; and

WHEREAS, the study findings and recommendations were developed through input and participation from the multi-jurisdictional team and a public engagement process; and

WHEREAS, the Town Board and County acknowledge the findings and recommendations of the County Highway 27 Corridor Study; and

WHEREAS, the Town Board and County commit to working together to implement the future transportation vision for the County Highway 27 corridor primarily through supportive land use decisions that incrementally preserve right-of-way, build supportive and connected local roads, and limit private access to the corridor; and

WHEREAS, the County commits to seek highway funding opportunities, when available, to address infrastructure needs on the corridor consistent with the transportation needs identified in the Corridor Study; and

WHEREAS, the Town Board desires that Scott County further explore local road connection and access points upon final design for the County Highway 27 road segment between County Highway 21 and County Highway 44.

NOW THEREFORE BE IT RESOLVED, that the Credit River Township Board hereby adopts the County Highway 27 Corridor Study and its findings and recommendations.
